Where should your child go after school when we have a **scheduled** early dismissal?

In case of an **unscheduled** school dismissal for inclement weather, my child should:

No homework club after school this year.

Tutoring will begin 2nd quarter on Tuesdays and Thursdays from 3:00-4:00pm.

Teachers will communicate with parents based on academic need.

If I need to change the regular routine for my child after school, I understand that I **MUST** either send a note to the teacher about the change in after school directions, or call the school. Thank you!
